CARBON HILL, ALABAMA

Mr. and Mrs. Ted Franklin

Welcome to Crescent Valley...

We cordially invite everyone interested in Shorthorns and Polled Shorthorns to be with us November 15th for this Production Sale.

We have looked forward to this day when we could invite folks to our farm to see our operation and to share the ownership of the cattle we have produced on Alabama pasture and Alabama feed.

We have spent a lot of time and money in laying the foundation at Crescent Valley. We wanted to breed good cattle, and we knew we had to build our herd with the better kind. Our selections have been made from the top herds in America.

Circlevew Lancer, the twice International Reserve Grand Champion Bull, has been a most successful sire for us. We are sharing his influence with the public in this sale.

We have added Bilmar Key Diadem to our plans for the future. He will be used on the daughters of Circlevew Lancer and the brood cows that have produced this sale offering.

We believe in Shorthorns. We believe in Polled Shorthorns. We believe they can convert Alabama grass and forage into a profitable way of livestock farming. Our herd is maintained on a practical basis. Our cattle will be sold in working flesh. We want them to do well for every new owner. We plan to make an annual sale a regular part of our operation at Crescent Valley.

We hope this event will be accepted as your invitation to "get acquainted" with us, with our herd and our plan to breed better cattle in Alabama.

TED AND RUBY FRANKLIN

*25 opportunities to “luck” yourself a
herd bull sired by Bilmar Key Diadem.*

About Our Hosts . . .

It has been my pleasure to have known Ted and Ruby Franklin since the day they attended their first Shorthorn sale. They bought three head that day at Dothan in the first L & L Farm Sale. They returned a year later and bought more females. Three of these are still in the Crescent Valley Herd, and they have been worthy foundation cows.

In our visit that evening, I became convinced that these folks were determined to breed top cattle.

They have confirmed that determination beyond a doubt. They have made top selections from sales over America where top cattle were being offered. They have been critical in their purchases. Top cows from the Giddens Dispersion. Top cows from the Myrtle Lake Dispersion. Selections have been made at Acadia Farms, Northfield, Ohio; Marellbar Farms in Illinois; Kickapoo Farms in Wisconsin. Northwood Farms, Cary, Illinois, have supplied a half dozen females. They have made purchases of the top kind in the various Southeastern sales — Boll Weevil and Ellis Giddens, have top cows in the Crescent Valley Herd.

Ted Franklin realized that regardless of how strong his brood cows might be, he must have a top sire. On his first trip to our farm he did not find a bull in the Oakwood Sale to suit his exacting demands. However, he did find a bull we had high hopes for — young, but with the look of a Stock bull — and bred to be just that, but he was not for sale.

That was Oakwood Wonder, the 100% dehorning son of Oakwood Landmark. His dam, a daughter of Drynie Wonder, the great Willow Lee sire. His grand dam, the mother of two great sires, Oakwood Leader and Commander in Chief.

Ted Franklin's regard for the necessity of using top bulls has remained constant.

In 1960 he purchased a ½ interest in Circleview Lancer, First Prize Junior Bull Calf and Reserve Junior Champion Bull at the 1959 International. He had the thrill of seeing that bull go on to be crowned Junior and Reserve Grand Champion Bull at the 1960 International. He had the satisfaction of seeing him repeat that Championship performance at the 1961 International. A championship winner at three Internationals stands as a modern record of performance for any bull of any breed.

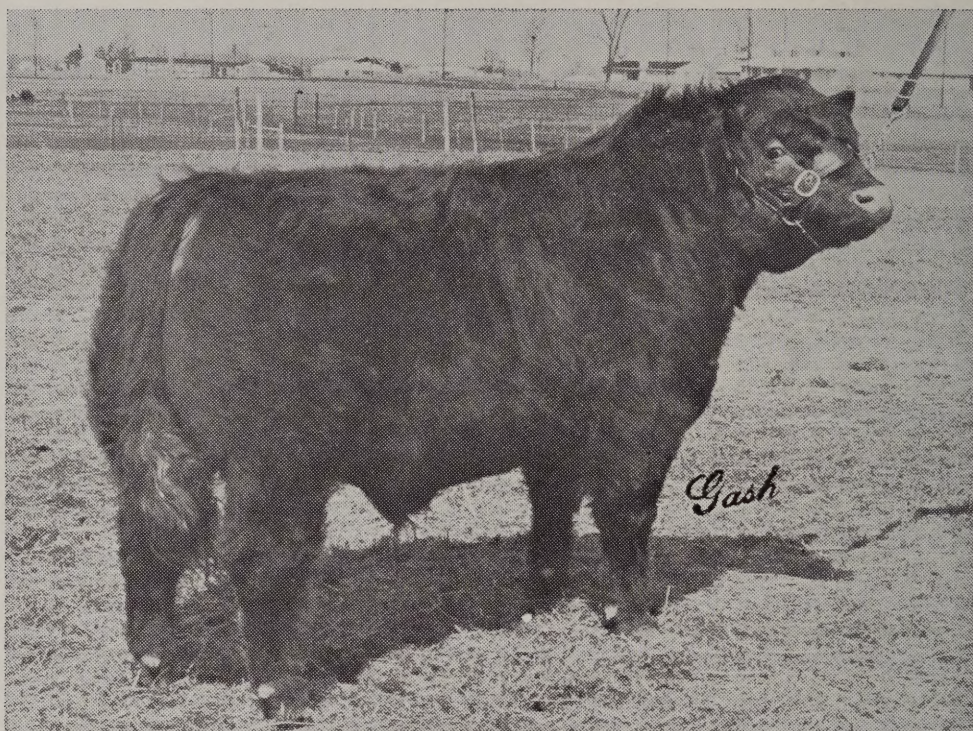

This production sale offering reflects the influence of Circleview Lancer on the Crescent Valley Herd.

As herd bull insurance, Ted Franklin purchased a ⅓ interest in Oakwood Lancer, 1961 International Grand Champion Bull in the 1962 Oakwood Sale. He purchased the interest of Cooper Farms in 1963 and took Oakwood Lancer to Alabama. He was kept at the Franklin home farm and used only on the few cows kept at that farm. Circleview Lancer reigned at Crescent Valley.

The recent loss of both bulls presented the necessity for a new stock bull. Always a difficult decision, especially so in Ted Franklin's case because he had to select a bull to work along beside the two sons of Circleview Lancer and Oakwood Lancer who were elected to stay. Ted Franklin was determined to buy the best bull in America. He did. **BILMAR KEY DIADEM IS THE ONLY POLLED SON OF CALROSSIE DIADEM IN THE WORLD IN HERD BULL SERVICE.** His sire, Calrossie Diadem, has founded a new dynasty of performance unequalled in Scotland in recent time and already well along the way in America. The record of his calves in this season's shows is found elsewhere in this catalogue. The purchase of Bilmar Key Diadem might be the master stroke of Ted Franklin's career as a breeder. He puts the Franklin herd at the head of the race to produce the type of cattle that are in demand in 1965. He is a featured service sire in this sale, and he will be on hand for the event.

Ted and Ruby Franklin hope that you will honor them with your presence on November 15th.

The Most Talked About Bull In America Today...

Bilmar Key Diadem has the look of a stock bull about him. It was apparent on my first trip to see him. The Calrossie Diadem influence as a sire was evident. I saw his sons. I saw his daughters. Going back to study Calrossie Diadem and see his calves again was convincing. I took an option to buy Bilmar Key Diadem.

When I saw his dam sold in the 1963 Sutherland Sale, I considered her most promising brood cow prospect in the offering. When I saw her at Bilmar, she had fulfilled my confidence. She had demonstrated her potential. Bilmar Key Diadem was evidence. She is from a highly respected cow family. Known to produce stock bulls. Her sire, Oakwood Masterkey, had stood second at the International, and he had been Reserve Junior Champion at the Ohio State Fair. His sire, Oakwood Decision, had sired many champions for Gallatin Farms, Triplett, Missouri, and had made an enviable show record for Oakwood. He had topped our sale. He was by Creekland Lancer. His dam by Oakwood Conqueror.

The picture of Bilmar Key Diadem is a natural pose and unretouched. You will see him at Crescent Valley on sale day in breeding flesh.

Study his correctness. His natural thickness of muscling. His tremendous rear quarter. Every leg on a corner. A sire's head. The look of a stock bull.

These are the attributes of excellence that have become accepted as the trademark of Calrossie Diadem.

We believe he can establish a Polled Calrossie Diadem Dynasty.

**Raised in Alabama — sired by Circleview Lancer,
bred to Bilmar Key Diadem — all selling.**

Calrossie Diadem

Bilmar Key Diadem is the only Polled son of Calrossie Diadem in service anywhere. The Diadem Dynasty is the most potent blood in years. Only seven years old — at four consecutive Perth Sales he has sired the Supreme Champion and/or the Top Selling Bull. His first crop of bull calves in America made the top average of over \$3,800 in 1964. A son, Bilmar Gallant Diadem, made the year's top price at auction when a $\frac{2}{3}$ interest sold to Acadia Farms, Northfield, Ohio, at \$10,100.

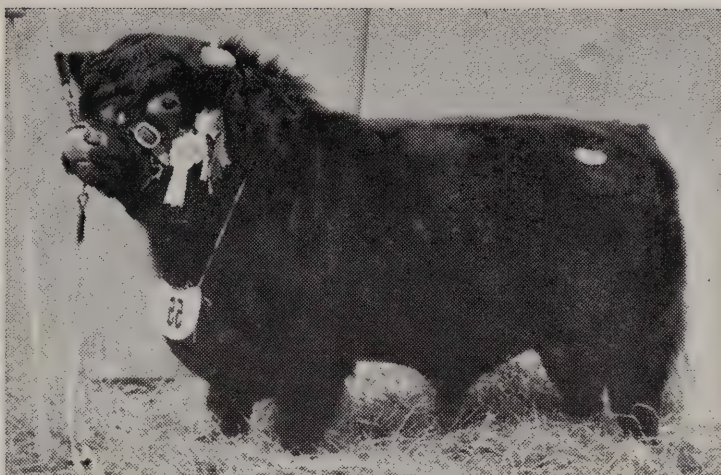

His Senior Get-of-Sire have won First in the 1965 Illinois, Ohio and Kentucky State Fairs.

A daughter, Bilmar Augusta 26th, was Grand Champion Female at the Illinois State Fair. She was Reserve Grand Champion at the Kentucky State Fair.

Another daughter, Bilmar Secret Maid, was Junior and Grand Champion Female at both the Ohio and Kentucky State Fairs.

A son, Bilmar Banker Diadem, was Reserve Grand Champion Bull at Ohio and Reserve Junior Champion at the Kentucky State Fairs. Another son and daughter were Grand Champions at the Michigan State Fair — the same day as the Ohio State Fair show.

PERTH, 1964. Calrossie Diadem sired the Top Selling Bull. Glamis Crowning Glory, at \$25,000 for export to the Argentine, making the fourth consecutive year he sired the Supreme Champion and/or the Top Selling Bull.

PERTH, 1963. Calrossie Diadem sired the Top Selling Bull. Glamis Supreme Commander, sold for \$20,400 for export to Sr. Duggan of the Argentine. He also sired the Second Top Bull at \$13,800, and another for \$8,100 to Boots. Sired Best Group of Three Bulls, Reserve Group of Five Bulls.

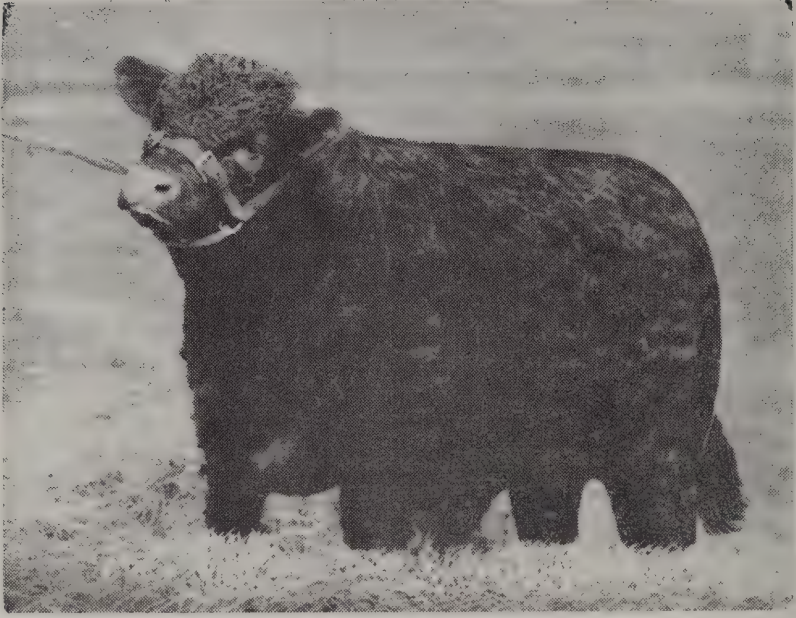

PERTH, 1962. Calrossie Diadem sired the Supreme Champion, Glamis Benefactor, undefeated Champion in seven British Shows. Now owned by K C, Louada and Royalty. Royalty paid \$20,000 for $\frac{1}{3}$ interest. Sired Best Pair, Reserve Groups of Three and Five Bulls.

PERTH, 1961. Calrossie Diadem sired the Supreme Champion, Glamis Trademark, that sold for \$14,400 to Sr. Elordy of the Argentine. Also sired the Best Pair of Bulls, Reserve Three Bulls, Reserve Five Bulls.

Elmcrest Diadem — 1961 International Junior Champion Bull.
Dr. A. H. Welland, Pawnee, Illinois bought a heifer in Scotland mated to
Calrossie Diadem and got this, his herd bull.

Much has been said about the record of Calrossie Diadem. It is important to know, too, that his mother is one of the outstanding cows of the breed.

Calrossie Ramona Ramsden is also the dam of Calrossie Diamond, full-brother to Calrossie Diadem, stock bull for Mathers and John Alexander and Sons of Illinois.

Her sire, Calrossie Highland Piper, was the Top Selling Bull of his year at Perth, being purchased for 10,000 gns. by A. R. Cross, Rothney Farms, Midnapore, Alta., where he made new records at the Calgary Sales and throughout Western Canada.

★ **OAKWOOD LANCER**, 1961 International Grand Champion bull is represented in this sale in a limited number. Ted Franklin bought a third interest in him in the 1962 Oakwood Sale. In the Cooper Dispersion he bought the B. W. Cooper interest and Oakwood Lancer came to Alabama. He was kept at the Franklin home and mated with the cows kept on this place. Oakwood Lancer sired the Reserve Grand Champion female at the 1965 Ohio State Fair for Ohio State University. In 1964 he sired the Grand Champion steer in the 4-H Show at Ohio State Fair, the Reserve Grand Champion steer in the open show and the Reserve Junior Champion bull.
